LET US DO YOUR BAKING

The Pie Shoppe is celebrating 39 years of helping groups reach their financial goals through fundraising! Back in the fall of 1986, two moms from Conemaugh Township High School Band in Somerset County approached us about selling our pies as a fundraiser for their band. Since that time, we have helped over 5000 school organizations, churches, relay for life teams, band boosters, youth groups, boy scouts, sports teams and dance troupes reach their financial goals by selling our pies and rolls.
